

SAFETY STATEMENT

HHNT / TRX recognises that every employee is entitled to a safe workplace. We will make every reasonable effort to protect the safety and health of our personnel.

In particular we will -

- Provide and maintain safe equipment and systems.
- Involve all employees in the process of Safety Management and provide training and information.
- Clearly define and allocate responsibilities for safety.
- Identify hazards in the workplace and assess and control risk
- Record and monitor our safety performance and seek continuous improvement. HHNT / TRX cares about safety.
